Federal Energy Regulatory Commission (FERC)

RTO/ISO FERC Tariff Change Filings & Petitions

Filings by RTO/ISOs of changes to their tariffs and does not include any RTO/ISO filings that relate to a single entity or service agreement (e.g. filing of an interconnection agreement or change to an individual transmission owner rate), informational filings, or pleadings in response to the filings of third parties. Once the comment period for a particular filing has passed, the filing will be removed from this tracker for efficient viewing.

FERC Meeting Agenda Summaries

Below are brief summaries of the agenda items for the Federal Energy Regulatory Commission's (FERC or the Commission) open meetings. The summaries below are based on publicly available information in the dockets listed on the FERC agenda at the time of publication. For ease of reference, a link to each lead docket on the meeting agenda has been included. The Commission may decide to remove any items from the meeting agenda at any time.
