

Five Perkins Coie Trademark Partners Named WTR Global Leaders in United States and China

SEATTLE (September 15, 2020) – Perkins Coie is pleased to announce that five attorneys in its Trademark, Copyright, Internet & Advertising (TCIA) practice group were named 2020 WTR Global Leaders by *World Trademark Review*.

Partners Patchen Haggerty, Lynne Graybeal, and Grace Han Stanton received recognition in Washington and Fab Vayra in the District of Columbia. According to *World Trademark Review*, WTR Global Leaders merit special attention because of their expertise and experience in relation to creating, protecting, managing, and enforcing essential brand rights along with their ability to innovate, inspire, and go above and beyond to deliver for their clients.

The WTR Global Leaders list brings together the world's foremost experts in trademark practice and draws on market-leading research projects, the WTR 1000 and the WTR 300, to identify the 'best of the best' in trademark practice. For inclusion in WTR Global Leaders, individuals must be ranked in the gold tier of the WTR 1000.
