

Eight Perkins Coie IP Attorneys Named IAM Global Leaders

SEATTLE (December 3, 2020)—Perkins Coie is pleased to announce that eight of its intellectual property attorneys were recognized in *Intellectual Asset Management's IAM Global Leaders 2021* guide, which brings together the world's foremost private practice patent professionals. Colorado partners Peter Kinsella and David St. John-Larkin and Washington partners Ramsey Al-Salam, Stephen Bishop, Christopher Daley-Watson, Chun Ng, and Paul Parker were named Global Leaders.

IAM Global Leaders merit special attention because of their experience as well as their ability to innovate, inspire, and go above and beyond to deliver for their clients. To qualify for inclusion, individuals must be ranked in the gold tier of the *IAM Patent 1000*, a market-leading annual directory that identifies the top law and attorney firms and individuals in the world's most competitive patent jurisdictions. Perkins Coie is ranked nationally in the United States for patent litigation and prosecution and in China for overall patent law by *IAM*.

Perkins Coie's Intellectual Property practice group combines the focus and flexibility of a boutique firm with the complementary services of one of the world's leading technology law firms. Our internationally recognized IP practice consists of more than 250 attorneys and agents in the United States and China who provide innovative, comprehensive counsel at every stage of IP protection and development.

Perkins Coie is a leading global law firm, dedicated to helping the world's most innovative companies solve the legal and business challenges of tomorrow. Learn about our work and values [here](#).
