

Perkins Coie Announces 2022 Counsel Promotions

SEATTLE (December 6, 2021)—Perkins Coie is pleased to announce that 47 attorneys have been promoted to the firm's counsel position, effective January 1, 2022.

This year, 72% of the counsel class is diverse, including women, lawyers of color, and members of the LGBTQ+ community. Additionally, 28% of the class members are, or have been, on a flexible work arrangement at the firm.

A counsel is a partnership-track position for attorneys with at least six years of experience who are recognized for their high-quality legal work, ability to supervise junior attorneys and staff, and collaborative efforts with partners on managing client matters.
