

Perkins Coie Advises Nuclear Innovation Company TerraPower in \$750M Fundraising

SEATTLE (August 16, 2022)—Perkins Coie is pleased to have advised leading nuclear innovation company, TerraPower, in a successful \$750 million fundraising round, marking one of the largest advanced nuclear fundraisers to date. For more information, please read [TerraPower's press release](#).

TerraPower plans to use the funds to enhance its work in advanced nuclear energy technologies and nuclear medicine. The fundraiser was co-led by SK Inc. and TerraPower's founder Bill Gates. SK Inc. invested \$250 million, with additional funding coming from other investors.

The Perkins Coie advisory team was led by partner David Clarke and associate Katie Rosati. Additional support was provided by Troy Hickman, Lisa McGimpsey, Carl Crow, and Kristine Lee.

Perkins Coie is a leading international law firm that is known for providing high-value, strategic solutions and extraordinary client service on matters vital to our clients' success. With more than 1,200 lawyers in offices across the United States and Asia, we provide a full array of corporate, commercial litigation, intellectual property, and regulatory legal advice to a broad range of clients, including many of the world's most innovative companies and industry leaders as well as public and not-for-profit organizations.
