

Perkins Coie Ranks as Leading Patent Litigation Firm for Technology Cases in 2022 by Docket Navigator

SEATTLE (February 1, 2023)—Perkins Coie is pleased to announce that it has been ranked among the top three busiest firms nationally for representing patent challengers in the most litigated technology cases of 2022 - including cases related to computers, communication, and e-commerce - in an analysis on *Docket Navigator*. The technology sector accounted for 1,657 new cases, or 44% of the total 3,805 patent cases filed in 2022.

Perkins Coie was also ranked among the top four law firms most likely to secure favorable outcomes for patent challengers in 2022 due to the firm's win rate of 18.4%. According to *IAM*'s coverage of the report, Perkins Coie is one of only four law firms "that outshine the rest when judged by their patent challenger win rates."

In the United States and Asia, Perkins Coie's internationally recognized Intellectual Property practice consists of more than 250 lawyers and agents who provide innovative, holistic counsel at every stage of IP protection and development.

Perkins Coie is a leading international law firm that is known for providing high-value, strategic solutions and extraordinary client service on matters vital to our clients' success.
