

Perkins Coie Successfully Serves Founder of SpartacusDAO via NFT and Discord to Secure Injunction for Patagon Management in \$35M Crypto Suit

NEW YORK (May 19, 2023)—A Perkins Coie legal team obtained a federal court order for client Patagon Management, LLC that upheld a prior temporary restraining order enjoining a pseudonymous defendant from accessing \$35 million in crypto assets. The Perkins Coie team also successfully obtained an order permitting service on the defendant via non-fungible token (NFT), through the Discord social media platform, and via email.
