

2022 Pro Bono Report

Associate Justice Ruth Bader Ginsburg urged lawyers to "do something outside yourself, something to repair tears in your community, something to make life a little better for people less fortunate than you." Through our pro bono efforts, our firm responded to needs worldwide by helping Afghans desperate to escape the turmoil in their country, bolstering our new virtual program to help survivors of domestic violence, and expanding disability rights for veterans. The stories in this report highlight our efforts, in partnership with legal service providers across the country, to make a positive impact through pro bono service.
