

Eric Fjelstad Quoted in Alaska Journal of Commerce—EPA Pushes Ahead on New Wetlands Rules; Alaska Wants Exemptions

Eric Fjelstad was quoted in "[EPA Pushes Ahead on New Wetlands Rules; Alaska Wants Exemptions](#)," an article in *Alaska Journal of Commerce*, regarding that Alaska's new rule would likely affect homeowners and small commercial projects the most, given that large-scale developments in the state need wetlands permits nearly without exception.

"Honestly, until the Sackett ruling this all feels academic to me," Eric said of the WOTUS rule making process.
