John Gray Quoted in Bloomberg Law—Justices Search for Middle Way in Warhol-Prince Fair Use Fight

John Gray was quoted in, "Justices Search for Middle Way in Warhol-Prince Fair Use Fight," an article in *Bloomberg Law*, regarding copyright protections in photography.

"To me, far more important than who wins, and whether there's a reversal or remand, is what guidance and clarification the court gives. And there's a lot of room to do a lot of different things," John said. "The court's decision could and likely will have implications far beyond the industries of photography and fine art."
