

Perkins Coie Client Mentioned in Multiple Publications Regarding Client's Patent Claim

Perkins Coie client, Trimble Inc., was mentioned in multiple publications regarding Trimble's patent claim. The team includes Dan L. Bagatell, Amanda Tessar, and Daniel T. Keese.

"The Federal Circuit breathed new life into software company Trimble Inc.'s suit asking a court to rule that it didn't infringe opponent PerDiemCo's electronic logging and geofencing technology patents, finding Wednesday that a California federal court had authority to hear the case." (*Law360**)
