

Perkins Coie Mentioned in Reuters—Google Hires Law Firm Perkins Coie To Fight RNC's Spam Filter Lawsuit

Perkins Coie was mentioned in "Google Hires Law Firm Perkins Coie To Fight RNC's Spam Filter Lawsuit," an article in *Reuters* regarding the Republican National Committee's lawsuit claiming the technology company is intentionally sending the political group's emails to users' spam filters.

The lawsuit alleged "Google has relegated millions of RNC emails en masse to potential donors' and supporters' spam folders during pivotal points in election fundraising and community building."
