

Partner Markus Funk Featured in Super Lawyers Colorado—The Multifaceted Dr. Funk

Markus Funk was featured in "The Multifaceted Dr. Funk," an article and cover of [Super Lawyers Colorado](#), regarding his career and quotes from a number of General Counsel and peers.

"I really liked the whole Perkins Coie vibe," he says. "They pride themselves on being nice and civil and had always been creative. They let a guy like me come in and gave me a lot of runway." Not that his idea—to create the country's first supply chain compliance practice—was popular at first. "People thought," he says, "that clients aren't going to appreciate you saying that they might have forced labor in their manufacturing facilities. But now it's something everyone knows is an unfortunate reality."
