

Gov't On Solid Ground In Moving Against Offshore Wind Suit

In January, a New Jersey-based nonprofit organization, Save Long Beach Island, and its president sued the [U.S. Department of the Interior](#) in the [U.S. District Court for the District of Columbia](#). The complaint in Save Long Beach Island v. U.S. Department of the Interior asserts that the [Bureau of Ocean Energy Management](#) violated the National Environmental Policy Act and the Endangered Species Act.
