

Top 8 Communication Skills for Persuading Jurors in the New Year

It is the "best of" time of year, when you cannot keep your eyes off of top ten lists and retrospectives on the year, 2022. Our contribution is to provide insight on what we see as the most effective trial skills and why you should consider them even more than you already might. We identified the most effective trial attorneys we work with and give you this short list of skills that make them powerful and persuasive. Enjoy, and happy holidays.
