

This session will share how new lawyers can start their careers on the right path, beginning on day one. You will receive advice on responsiveness and client expectations, working with secretaries and other staff, time management, and more. The session will be presented by Jennifer Bluestein, Chief Talent Officer at Perkins Coie LLP.

Learning Objectives:

1. Start your career on the right path, beginning on the first day
2. Navigate the first six months of your career effectively and successfully

3. Receive advice on responsiveness and client expectations
4. Work with support staff effectively
5. Manage time wisely as a new associate
