The Two Sides of M&A Transactions With John Schreiner And Jeff Petersen

Partner John Schreiner recently joined *Sun Acquisition's* podcast, "M&A Unplugged," along with fellow guest attorney, Jeff Petersen, for "Episode 53: Buyers and Sellers: The Two Sides of M&A Transactions." With Host Domenic Rinaldi, the pair discussed important legal issues that arise in most M&A transactions, from both the seller's perspective and buyer's perspective. The episode encourages students to learn the law from all angles, so that they will be better prepared to argue either side when it comes to their own M&A transactions in the future.
