The Science Behind COVID-19 and Return to Work

Misinformation is rampant in our current COVID-19 world. On this episode, Perkins Coie partners <u>Ann Marie Painter</u> and <u>Jill B. Louis</u> are joined by <u>Carolee Estelle, M.D.</u>, an infectious disease specialist at UT Southwestern Medical Center and Parkland Hospital in Dallas, Texas, who provides some straight answers about the COVID-19 virus, what we know about its transmission and effect on the body, and how best to avoid spread in the workplace.
