The Future of Cannabis: Federal Perspective (MORE Act, SAFE banking, 280E)

On March 3, 2021, Perkins Coie Partner Barak Cohen moderated a panel to discuss the future of the cannabis industry. Panelists included Michelle Rutter Friberg, Deputy Director of Government Relations at the National Cannabis Industry Association, Steve Hawkins, Executive Director of the Marijuana Policy Project, and Yoko Miyashita, Chief Executive Officer of Leafly. This recap focuses on discussion related to the federal perspective.
