California Proposes New Short-Form Prop. 65 Warning Labels

On January 8, 2021, California's Office of Environmental Health Hazard Assessment (OEHHA) [announced proposed regulations](#) that would significantly affect how businesses selling to California consumers may use short-form Proposition 65 warnings on their products.

These proposed regulations, if finalized, may create new compliance obligations and will likely decrease the use of the short-form Proposition 65 labeling in the marketplace. [Click here to read the full Perkins Coie Update.](#)
