

In November and December 2021, the U.S. Department of Justice entered into settlement agreements with two private companies and one public entity addressing website accessibility, signaling increased enforcement activity in this area.

This update provides more information about the settlement agreements and DOJ's approach to website accessibility. [Click here to read the full update.](#)

Consumer Protection Review

Consumer Protection Review helps businesses that market and sell to consumers navigate federal and state legal issues related to advertising, privacy, promotions, products liability, government investigations, unfair competition, class actions and general consumer protection.
