A Timeline of Selected Digital Asset-Related SEC
and Enforcement Actions Issued Post-DAO Rep

Perkins Coie LLP is pleased to bring you this [Digital Asset SEC Timeline](#). This Timeline is an interactive compilation of select SEC guidance, enforcement actions, and speeches relating to the application of the federal securities laws to digital assets. Beginning with the release of the DAO Investigative Report in July 2017, the Timeline includes relevant information for analyzing the offering, issuance, and trading of certain digital assets in the context of the federal securities laws. This Timeline is meant to be a resource for those following SEC actions and guidance related to digital assets and to assist experienced securities counsel in assessing the applicability of the federal securities laws. The Timeline is for informational purposes only and does not constitute legal advice. If you are, or are planning to engage in transactions involving digital assets, you may want to contact experienced securities counsel. Information in the Timeline is provided "as-is," and may not reflect the latest guidance from the SEC and/or other federal or state regulatory authorities. The Timeline contains links to third-party websites. Such links are only for the convenience of the reader or user. Use of and access to the Timeline, including the links contained within the Timeline, do not create an attorney-client relationship with Perkins Coie LLP.
