

JurorSearch CEO and Co-Founder Dan Johnson sits down with White Collar & Investigations Partner Markus Funk to discuss all things jury. They talk about how ever-evolving customized software solutions help prosecutors, civil litigators, and jury consultants better understand what makes their potential jurors tick, as well as help them ask the right voir dire questions to avoid bad selections. Dan and Markus also discuss how the solutions create real-time records of thinking and strategy to help ward off unforeseen jury issues down the road.
