New Filings for October 30, 2014

Alduey v. B&G Foods et al., No. 1:14-CV-7839 (S.D.N.Y.): This putative class action asserts claims based on allegations that defendants' spreadable fruit products are labeled "All Natural," but actually contain processed ingredients such as Maltodextrin. [Complaint](#). *Bobo v. Optimum Nutrition, Inc.*, No. 3:14-CV-2408 (S.D. Cal.): This putative class action alleges that defendant has marketed and sold its premium protein as products being comprised of "100% Whey Protein," "100% Casein Protein" and "100% Soy Protein," despite the fact that the products contain other ingredients that are not protein.
