[The CARES Act: PPP Loan Forgiveness Tips and Traps for the Unwary](#)

This webinar explored the loan forgiveness application provided by the SBA and some of the lingering ambiguities. The presenters discussed the documentation and level of detail companies need to provide when applying for loan forgiveness and proactive strategies for the use of loan proceeds to maximize eligibility for the same.

**The information in the webinar is based on the loan forgiveness application released on May 15, 2020 and remains subject to change based on any subsequent SBA rulemaking or other guidance.*

The CARES Act: [Immigration Issues and COVID-19](#)

This webinar addressed key considerations businesses that have foreign national and expat employees should

address during the COVID-19 pandemic. We shared information on a wide range of topics, including changes to immigration compliance and document verification processes, restrictions on international travel, impact of lockdowns, closures and remote work on company practices, and employee immigration status, closure of government agencies, implications for case processing, and employee travel, among other topics.

The CARES Act: [Employer Measures to Combat COVID-19](#)

This webinar addressed key considerations for businesses exploring the delicate interplay between HR decisions such as leaves of absence, layoffs, furloughs, salary reductions, and other cost cutting measures and the financing opportunities made available under the CARES Act. We highlighted frequently asked questions on how HR decisions impact the forgiveness of Paycheck Protection Program (PPP) loans and eligibility for tax credits, expanded unemployment insurance, and mid-sized loans offered under the CARES Act.
