Current Trends in Cosmetics Litigation: CLE Presentation

Despite a tumultuous year, one thing stayed the same: plaintiffs' class action attorneys continued to file plenty of lawsuits against manufacturers of consumer packaged goods (CPGs). Attorneys in Perkins Coie's Food Litigation practice have defended false labeling cases across a broad range of products and industries. As our practice area has expanded, we have continued to pay close attention to the litigation environment for emerging trends, important developments in case law, and related regulatory guidance across CPG product categories. On April 1, Perkins Coie's Kristine Kruger and Carrie Akinaka will be presenting "Current Trends in Cosmetics Litigation" hosted by the American Bar Association. Find out more & register here.
