

In this episode, Michael Glenn and Colin Fowler discuss, inter alia, how passion and anger drive creativity with renaissance man John Dolmayan, drummer with System of a Down, entrepreneur, inventor, artist, author, and founder/CEO of Ship Assure and SGCC, Inc.

"Somebody has to be successful, at all times. Why can't that person be you? That's the dream. It keeps the dream alive. It keeps you working and putting that effort in to make, make the difference. As long as you dream, you live." – John Dolmayan, Founder and CEO of Ship Assure and SGCC Inc.; Drummer of System of a Down
