

Partner Michael Paisner Mentioned in Multiple Media Publications

Partner Michael Paisner was quoted in multiple media publications regarding his move to Perkins Coie as partner in the Seattle office with the firm's Product Liability Litigation practice.

"Perkins Coie provides an incredible platform for my practice and is a key player both in the Seattle market and nationally," Paisner told *Law360 Pulse* Wednesday. "The firm is very strong in litigation, arbitration and investigations, all of which are core areas of my practice. As an added bonus, I also have many good friends here and know the firm well — it was the perfect choice on so many levels."
