

Perkins Coie Represents Maxima Power Group in Acquisition by Sunbelt Solomon Services

DENVER, (August 9, 2024)—Perkins Coie is pleased to have represented Maxima Power Group, a NETA-certified electrical engineering, automation solutions, and technical field services provider, in its acquisition by Sunbelt Solomon Services, a leading provider of customized electrical power solutions and services. For more information, please see Sunbelt Solomon Service’s statement [here](#).

The combined entity will focus on a key segment of the electrical power distribution equipment and services market, bolstering Sunbelt Solomon's existing footprint and capabilities. Maxima Power Group was a portfolio company of Copley Equity Partners and will continue to operate under its existing brands.

The Perkins Coie team that advised Maxima Power Group included partners [Jessica Batzell](#) and [Nate Ford](#), as well as partner [Daniel Sito](#), and associates [Golnaz Camarda](#), [Ann Balzer](#), [Christopher Phares](#), and [Betul Serbest](#).

Perkins Coie is a leading international law firm that is known for providing high-value, strategic solutions and extraordinary client service on matters vital to our clients' success. With more than 1,200 lawyers in offices across the United States and Asia, we provide a full array of corporate, commercial litigation, intellectual property, and regulatory legal advice to a broad range of clients, including many of the world's most innovative companies and industry leaders as well as public and not-for-profit organizations.
