

David Biderman, Kristine Kruger, Tommy Tobin, and Cathie Chen presented the webinar, “*Key Requirements & Compliance: The Modernization of Cosmetics Regulation Act (MoCRA)*,” which covered the following:

- Registering facilities and listing cosmetic products with the FDA.
- Substantiating the safety of cosmetic products.
- Meeting new adverse reporting requirements.
- Implementing new cosmetic labeling requirements for professional use products.
- Complying with the FDA’s new mandatory recall authority.
