Perkins Co-Authors Publish Anti-bribery and Corruption Compliance Programs Book Chapter

Partner Markus Funk and Co-Author Marcus Haggard publish [their chapter on anti-bribery and corruption compliance](#) in [The Complete Compliance and Ethics Manual 2025](#). The chapter provides an overview of the legal landscape surrounding anti-corruption/anti-bribery laws, highlighting a few of the most prominent national and international regimes. It also provides a series of best practices for developing a compliance program that effectively addresses risk and shares observations on emerging trends and recent developments in the anti-corruption/anti-bribery space.
