Upcoming Webcast: “The SEC’s Climate/Cyber Rulemakings - Your Action Items Now”

Join us in two weeks, on Tuesday, May 24th (from 3:00-4:00 pm eastern), for a video program - ["The SEC's Climate/Cyber Rulemakings: Your Action Items Now"](#) - that will cover the practical side of the SEC's recent climate and cybersecurity disclosure rule proposals. You've already learned the basics about what the SEC has proposed - but what might you consider now to get a jump on being adequately prepared? Join Perkins Coie's own Amelia Gerlicher, Allison Handy, Marcy Hupp and Broc Romanek by [registering for this complimentary program now...](#)

Before the program, get-up-to-speed on the SEC's climate disclosure proposal with our 19-page guide: ["The SEC's Climate Disclosure Proposal: A Comprehensive Look"](#) - or check out our [shorter client memo](#) on the topic.
